

PRINT & PACKAGING PAPER

PROBARRIER Greaseproof Paper

DREWSEN – Your partner in the packaging sector

We offer you both standard and tailor-made solutions.

With our film press technology, we are able to produce high-quality barrier coatings on two paper machines.

The working widths (225 cm, 470 cm) offer a lot of interesting possibilities for the processing industry.

As a manufacturer of security paper, we are known in the industry as a company with high quality standards.

Consistent product properties are our strength. Contact us for tailored services.

As a healthy family-run company you will find in us a long-term flexible partner at your side.

PROBARRIER ... reliable packaging papers.

Applications

- flexible packaging for the direct food contact
- paper bags/bags for baked goods and fast food
- wrapping paper for the catering and food industry (fish, meat, cheese, baked goods, etc.)
- sandwich paper
